DO YOU NEED HELP WITH HOUSING?

The Housing Supports Program offers free help finding and keeping housing!

This program does not pay for rent.

Eligibility Criteria

- Enrolled in NJ FamilyCare health insurance (Medicaid)
- Are currently unhoused, losing current housing, or were recently in jail
- Living with a health condition, such as diabetes, depression, pregnancy, substance use or a physical disability

Consider calling your health plan provider and ask to learn more about the Housing Support Program.

Documents to prepare when requesting housing assistance

Depending on the program, applicants may be asked to provide:

- **Government-issued identification**
- Social Security documentation
- Proof of New Jersey residency
- Proof of income or unemployment
- Recent pay stubs or benefit award letters

- Lease or rental agreement
- Eviction notice or court summons
- Outstanding rental balance statement
- Utility bills or shutoff notices
- Household composition documentation
- Documentation of financial hardship

STR8UP Employment Services – Housing Resource Disclaimer

STR8UP Employment Services provides housing resource navigation, referrals, advocacy, and employment-related supportive services to assist individuals and families in overcoming barriers to economic stability.

STR8UP Employment Services is not a housing authority, emergency shelter, landlord, or guaranteed provider of rental assistance. Referrals do not guarantee housing placement, financial assistance, voucher approval, or program enrollment.

Participants are encouraged to contact organizations directly, complete required applications, maintain communication with service providers, and actively participate in their housing stabilization efforts. STR8UP may assist with resource navigation, documentation preparation, and coordination with community partners, subject to organizational capacity and available resources.
